merely to know how it was going today. He was most appreciative of that information and also thanked me for my letter of 10 March which followed our recent luncheon meeting in which we forwarded a copy of Mikoyan's speech in the Soviet Union after his return from the U. S.

Thereafter Mr. McCormack seemed to wish to chat generally and I spent approximately an hour with him discussing various matters including, at his initiative, the Kilday Subcommittee which he felt was an extremely good step and would probably stave off action for a Joint Committee. I also mentioned to Mr. McCormack [redacted]

5. Telephoned Mr. Focke, General Counsel, Bureau of the Budget, following up on my previous call of 26 February inquiring about the proposed Executive Order "providing for carrying out of certain aspects of the Atomic Energy Act of 1954, as amended, relating to international cooperation." Mr. Focke advised that he had received a reply from DOD dated 11 March but had no reply from the Atomic Energy Commission. Material was forwarded from BOB to agencies concerned on 8 October and this Agency replied on 13 October 1958 approving the substitute draft Executive Order. This 8 October letter is the one that DOD just answered and the one which AEC has failed to answer.
